

## **Christmas 2021 at the Nicola Valley Food Bank**

Christmas is just around the corner and the Nicola Valley Food Bank is preparing to provide Christmas breakfast, dinner, snacks and hygiene products for our clients.

It takes a lot of preparation from volunteers to ensure that everyone who applies for a Christmas Hamper receives one. We ask that you return your completed application to the foodbank prior to November 18, 2021. For those of you with children and would like to be matched with a community sponsor, please return your application as soon as possible. As much as we would love to be able to find sponsors for all our families, this may not be possible. Please be assured we are doing our best.

Toys for the children will be as it was last year. Please indicate what your child(ren) would like as we try to match as best we can.

The pickup location will be at the Elks Hall Dec 20-23. Further details will follow. We will display a notice in our window and on our Facebook page once details are confirmed.

The process of Christmas hampers will be different from past years. We ask for your patience as we guide our way through to provide you with some of the makings of a nice Christmas holiday season.
